1. ACCEPTANCE AND SCOPE

1.1 These Terms of Use (the "Terms") govern your access to and use of the website located at <https://pgbp.io> and any subdomains (the "Site"), and your engagement with the project and token known as Pegged GBP ("PGBP") to the extent your engagement is mediated by the Site.

1.2 The Site is operated by **PGBP PAYMENTS LTD**, a private limited company registered in England and Wales with company number 16925298 and registered office at 17 Hanover Square, London, W1S 1BN ("we", "us", "our").

1.3 By accessing or using the Site, you agree to be bound by these Terms. If you do not agree to these Terms, you must not use the Site.

1.4 These Terms apply alongside any separate contractual arrangements you may enter into with us (for example, a counterparty agreement for redemption). Where a separate contractual arrangement is in place between you and us, that arrangement governs your dealings under it, and these Terms govern your use of the Site.

2. ELIGIBILITY AND RESTRICTED JURISDICTIONS

2.1 The Site and PGBP are not available to, and not intended for use by, persons in the following Restricted Jurisdictions:

- (a) the United States of America (including all US Persons regardless of location);
- (b) Iran, North Korea, Cuba, Syria;
- (c) the Crimea, Donetsk, and Luhansk regions of Ukraine;
- (d) Mainland China and Hong Kong;
- (e) Russia and Belarus;
- (f) any other jurisdiction subject to comprehensive sanctions imposed by the United Kingdom, European Union, or United States, as updated from time to time and published at <https://pgbp.io/restricted>.

2.2 You represent and warrant that you are not a citizen, resident, national of, or located in, any Restricted Jurisdiction.

2.3 You represent and warrant that you are not subject to any sanctions imposed by the United Kingdom (including the HM Treasury Office of Financial Sanctions Implementation consolidated list), the European Union, or the United States (including the OFAC Specially Designated Nationals list), and you are not owned or controlled by any such sanctioned person.

2.4 We may, at our sole discretion, restrict access to the Site from any IP address or jurisdiction. We may update the list of Restricted Jurisdictions at any time, with such updates taking effect immediately upon publication.

3. ABOUT PGBP

3.1 PGBP is a GBP-denominated ERC-20 token deployed on the Ethereum blockchain. The token contract is immutable and source-verified. The smart contract and its properties are described in further detail on the Site, including at <https://pgbp.io/token> and <https://pgbp.io/whitepaper>.

3.2 PGBP is a cryptoasset. PGBP is not legal tender, is not a deposit, and is not money.

3.3 We are not currently authorised by the Financial Conduct Authority. PGBP is not currently a regulated product. PGBP is not protected by the Financial Services Compensation Scheme or any equivalent compensation or insurance scheme.

3.4 The operational infrastructure required to support PGBP as a fully-backed, redeemable stablecoin — including banking, segregated reserves, and a live redemption process — is being established. Until and unless that infrastructure is operational and clearly identified as such on the Site and in the relevant transparency report, no current commitment of backing, redemption, or comparable assurance is in force.

4. NOT FINANCIAL, LEGAL, TAX, OR INVESTMENT ADVICE

4.1 The content of the Site is provided for informational purposes only. Nothing on the Site constitutes financial, legal, tax, accounting, or investment advice, nor a recommendation to acquire, hold, or dispose of PGBP or any other cryptoasset, financial instrument, or security.

4.2 You should obtain independent professional advice appropriate to your circumstances before making any decision in respect of PGBP. We do not provide such advice.

5. NO SOLICITATION

5.1 Nothing on the Site constitutes, and the Site is not intended to constitute, an offer or solicitation by us to any person to acquire, subscribe for, or invest in PGBP.

5.2 The Site is not directed at, and the content of the Site is not intended for, any person in any jurisdiction in which such direction or content would be unlawful or would require our authorisation by any regulator we do not hold.

6. YOUR REPRESENTATIONS AND WARRANTIES

6.1 By using the Site, you represent and warrant on a continuing basis that:

- (a) you are at least 18 years of age and have the legal capacity to enter into these Terms;

- (c) you are not subject to any sanctions described in clause 2.3;
- (d) your use of the Site does not breach any law applicable to you;
- (e) any information you provide to us is true, accurate, complete, and not misleading;

- (g) you are acting on your own behalf and not as agent for any undisclosed principal.

8. INTELLECTUAL PROPERTY

8.1 The Site, including its layout, text, graphics, logos, marks, and software, is the property of PGBP PAYMENTS LTD or its licensors and is protected by intellectual-property laws.

8.2 The PGBP mark, the wordmark "Pegged GBP", and the tagline "Stable Sterling, on-chain." are trade marks of PGBP PAYMENTS LTD.

8.3 You may use the PGBP mark and wordmark in editorial, journalistic, listing, and integration contexts referring to the PGBP project, subject to the brand usage rules published at <https://pgbp.io/media>. You may not use the PGBP mark or wordmark in any manner that:

9. SMART CONTRACTS AND ON-CHAIN ACTIVITY

9.1 PGBP exists on the Ethereum blockchain. Transactions on Ethereum, including transfers of PGBP, are irreversible once recorded on-chain. We have no ability to reverse, modify, or unwind any transaction on the Ethereum blockchain, regardless of the cause.

9.2 The PGBP smart contract is immutable. We have no ability to upgrade, modify, pause, freeze, or alter the behaviour of the PGBP smart contract, or to mint additional PGBP, or to blacklist any wallet. The properties of the PGBP smart contract are as described at <https://pgbp.io/token> and in the whitepaper.

9.3 You are responsible for the security of your own wallets, private keys, and any other credentials used to interact with PGBP or with the Ethereum blockchain. We have no access to and no responsibility for the security of any wallet you operate.

9.4 We are not responsible for, and do not warrant the operation of, the Ethereum network, third-party wallets, third-party exchanges, third-party bridges, third-party custodians, or any other infrastructure used to access or transact in PGBP.

10. REDEMPTION AND COUNTERPARTY ARRANGEMENTS

10.1 To the extent we offer, in future, the ability to redeem PGBP for GBP, such redemption will be subject to:

- (a) a separate counterparty agreement entered into between us and the relevant counterparty;
- (b) successful know-your-customer and anti-money-laundering verification of the counterparty;
- (c) sanctions screening of the counterparty and the source wallet;
- (d) the counterparty not being in a Restricted Jurisdiction;
- (e) the operational state of our banking, custody, and reserve arrangements at the relevant time;
- (f) fees, service levels, and other operational terms as published on the Site or agreed bilaterally at the relevant time.

10.2 Nothing on the Site or in these Terms constitutes a right to require redemption of PGBP at any particular price, in any particular timescale, or at all. Redemption is available only as and when we have communicated it to be operational, and subject to the conditions in clause 10.1.

11. SANCTIONS, AML, AND RIGHT TO REFUSE

11.1 We operate sanctions and anti-money-laundering processes consistent with our regulatory positioning and applicable law. We may, at our sole discretion:

- (a) refuse to engage with any prospective counterparty;
- (b) refuse to release PGBP into circulation in response to any deposit;
- (c) refuse to accept PGBP for burning;
- (d) refuse to release GBP in connection with any purported redemption;
- (e) request additional documentation or information from any counterparty;

12.2 To the maximum extent permitted by law, we disclaim all warranties, including any implied warranties of merchantability, fitness for a particular purpose, non-infringement, accuracy, completeness, timeliness, security, or availability.

- (d) any infringement by you of any third-party right.

16.2 Your use of any third-party website or service is at your own risk and is governed by the terms of that third party.
